## STUDY 2

### GROUP DISCUSSION QUESTIONS

#### Question 1

Discuss the logical conclusions for life and society of a worldview that doesn't believe in God, where truth and morality are relative to the individual, and where there is no transcendent meaning or purpose to life?

#### Question 2

What could it mean for the church to once again make the claim to provide public truth by which society can be given hope, direction and purpose?

#### Question 3

How has Australian society or Western civilization more broadly changed in the last 50 years with the increasing rise of secularism and relativism?

#### Question 4

Discuss circumstances in Australian society today where Christians need to better represent truth and bring it to bear for positive change?

#### Question 5

Abraham Kuyper said, *"There is not a square inch in the whole domain of human existence over which Christ, who is sovereign over all, does not cry out "Mine!"* What are the implications of this for governments and government policy and legislation?
