

**November 2011**

Dear SA supporter,

Another year draws to a close with our thoughts turning to Christmas celebrations. As I reflect on the year that (almost) was, it turned out very different to my expectations.

While 2010 was incredibly busy for all of us at ACL, with both State and Federal elections, I was expecting 2011 to be just a little less frenetic. However with the relentless and ongoing campaign for same-sex marriage and a raft of other issues rising up, no such luck!

If you have not already done so, please visit the Australian Marriage Forum website and sign the petition to the ALP National Conference which is being held early December. They need to hear your voice for marriage. Go to [www.australianmarriage.org](http://www.australianmarriage.org).

I have begun my odyssey to SA and have been incredibly impressed by the way God is opening up doors, both in politics and in the Churches. To achieve our aim of being a voice for values, we must increase our visibility and grow both our supporter numbers and our contacts within the SA Parliament.

By the time this letter reaches you the SA Parliament will have continued to debate MP Steph Key's controversial series of bills around euthanasia and prostitution. We are working hard to put forward strong arguments and better outcomes around both of these issues.

We hope to hold a "Pastors and Leaders Briefing" with ACL's Managing Director Jim Wallace in Adelaide late November 2011 and we have begun planning for a SA Conference in late 2012. We will keep you informed on these events.

As ever, we thank you for your support and prayers as we seek to be a voice for values in the corridors and chambers of power.

Yours sincerely,
